

T55: Find pets by tags (deprecated endpoint)

Test Labels

Status	Type	Priority	Estimate
Failed	Functional	Medium	None
AI Automated Test	References	Automation Type	Is Automated
None	None	None	No
Test Case Labels			
TC-04			

Preconditions

Pets with tag 'golden-retriever' exist.

Steps

- 1. Send GET /pet/findByTags?tags=golden-retriever
- 2. Verify response
- 3. Note: endpoint is marked deprecated in spec

Expected Result

Status 200. Array returned (endpoint still responds despite deprecation). No sunset header present.
